GREENSAND RIDGE RASPBERRY GHOST

70cl | 40%

Our Raspberry Ghost captures the true aroma of Kentish raspberries at the peak of their aromatic ripeness. Named Ghost for the subtlety of the spirit, and in homage to the German name for the distillation technique, Geist.

We only use quality surplus fruit, working with local fruit farmers to use berries which can't be sold to supermarkets.

Greensand Ridge is an award-winning, carbon neutral distillery specialising in Gins, Rums and Fruit Brandies, making spirits with provenance, using sustainable practices and turning surplus produce from local growers into fine spirits.

TASTING NOTES & SERVES

This is an elegant Eaux de Vie, not a sickly sweet raspberry liqueur; a dry spirit with a vodka-like character.

A delicate raspberry aroma, an autumn raspberry on a misty morning. As you sip, the flavour builds and develops with a surprising length to the finish.

LONG

GHOST & TONIC

A refreshing long drink served with Mediterranean tonic and garnished with a lemon slice & a fresh raspberry

PERFECT

SOUR GHOST

A classic Sour, but with our Ghost, the best sour you've ever had. Garnished with lemon and pink peppercorns.

CLASSIC

CLOVER CLUB

Double-down on raspberry with this sweet and sour classic. Pretty in pink and silky smooth.
