GREENSAND RIDGE

DRINK LIKE YOU THINK. AWARD-WINNING SPIRITS FROM THE UK'S MOST SUSTAINABLE DISTILLERY

CARBON NEUTRAL

All emissions in our supply chain accounted for and offset to British Standards

SURPLUS PRODUCE

Working with farmers & food producers, we make spirits from produce unsuitable for supermarkets

WATER PROTECTION

An organic pond aquatic habitat supplies our cooling water

RENEWABLE POWER

We use 100% renewable power for our stills and distillery equipment

ZERO CHEMICALS

No caustic or toxic sterilants used for cleaning

ENERGY RECOVERY

Innovitive recovery systems store waste heat for later reuse

ZERO WASTE TARGET

Distilling waste makes gas for the grid or feeds livestock and we throw out one bag of waste every 6 weeks.

RECYCLED & RECYCLABLE

We aim to use only recycled and recyclable materials to supply and market our spirits
