GREENSAND RIDGE APPLE BRANDY

50cl | 42%

We spend long days pressing, fermenting and distilling surplus dessert apples from nearby growers to create a delicate apple spirit which captures the aroma of a country orchard on a late summer's day.

From apples to cask-aged bottled spirit, we do all this work by hand in our own distillery. A labor of love to make this fantastic spirit which we believe is the rightful whisky of the Weald.

Greensand Ridge is an award-winning, carbon neutral distillery specialising in Gins, Rums and Fruit Brandies, making spirits with provenance, using sustainable practices and turning surplus produce from local growers into fine spirits.

TASTING NOTES & SERVES

Made with dessert varieties, ours is a delicate spirit, but wonderfully perfumed and aromatic.

Aromas of apple blossom and characteristic green apple flavours are perfectly married with the vanilla and caramel spiciness of the bourbon cask to leave a smooth sweet finish and the memory of warm apple crumble.
